Science May 4, 5 *8:00 – 9:30*

Grade 6

ELA/Math May 24, 25, 26, 31 and June 1, 2 *8:00 – 9:30*

Change for Ukraine Fundraiser Update

Our school-wide fundraiser to benefit the work of World Central Kitchen in and around Ukraine is in full swing and the results thus far are mind blowing! All week long, students have been emptying out their personal piggy banks and enthusiastically hauling bags and boxes of change into their classrooms. We are unsure at this time exactly how much change has been collected, but I predict that we may have collected over \$1,000 in the first week!

One of our sixth grade students, Lucius Batten, immediately gathered up his change collection valued at \$49.01 and proudly brought it to school. I asked him to share his thoughts with our school community about what inspired him to do this.

<https://www.wevideo.com/view/2629563656>

I encourage you to click on the link below to find out more.

By request, we will extend this fundraiser through the April vacation as some students will be visiting friends and family members and would like to ask them to donate to our cause.

I am so appreciative of the generosity and compassion displayed by our students, families, and staff! I hope to share information with you next week about how much money we have raised thus far.

Donations can also be made online at the link below which is exclusive for the CES fundraiser.

https://donate.wck.org/give/393234#!/donation/checkout?c_src=ChangeforUkraine

Information about the work of World Central Kitchen is available at this link: <https://wck.org/>

NCAL Service Learning Project

Speaking of helping others, CES sixth graders, Monroe and Harper Fisher and McKenna Denniston traveled with me to North Country Animal League to help this organization help the many animals in their care who are patiently waiting to be adopted. This hardworking crew folded a gigantic pile of laundry, swept floors, washed windows, restocked the NCAL store, and loved up an adorable kitten named Bean. Thank you for all your hard work! More information about NCAL and animals who are presently available for adoption can be found here:

<https://www.ncal.com/>

6:00 pm**

For the past couple months a group of dedicated puzzlers have been visiting the library to work on this puzzle. It is finally finished! A big thank you to Greg Johnson who made the puzzle board for our library.

Cambridge Elementary School will be participating in a Kids Heart Challenge for the next few weeks. This Challenge will begin with learning how to jump rope while learning about our heart health.

Every year CES has held a Kids Heart Challenge event to raise funds for the American Heart Association. I am so proud of the students for wanting to carry on this tradition as it is for such a good cause. This program offers many benefits. The money that our school raises will help fund research on heart disease, which is our leading health risk today. It will also fund educational programs that will teach people the importance of a healthy heart and staying fit. Students will benefit from this program not only by having fun and learning different movement skills, but also by learning the importance of physical activity and community service.

The American Heart Association has now changed its name from Jump Rope for Heart to the Kids Heart Challenge. This is an exciting new change because it opens up so many possibilities for Physical Education class. We will be continuing to work on our fitness and jump rope in PE class and will have a fun celebration to wrap up this fundraiser.

All donations are due on **Friday April 29th**. All donations are now done online. Please refer to the handout that went home on how to complete this process. Thank you so much for your time and effort with this. Thank you gifts will arrive a week or two before then end of the school year.

Sincerely,

Amanda Graner (Physical Educator)

As of April 4th, 2022 the Test at Home programs will be discontinued in all Vermont schools.

Per the Vermont Department of Health, school nurses will continue to conduct diagnostic Covid-19 testing for symptomatic students in school using LAMP or antigen (rapid) tests. CES will continue to make available to students, staff and their households, when requested, antigen tests.

You can request an antigen test by using the [link](#) in this Newsletter or on the School's website.

If your child is in school that day, we can send a test home with him/her. Otherwise we can leave a test kit in the vestibule outside the main entrance that can be picked up Mon-Fri anytime before 6pm.

*Staying home when sick does more than prevent the spread of COVID-19. With the increase in antigen tests being taken in the home, we appreciate the fact that people with symptoms are tested before coming to school. However, just because a person has a negative antigen test does not mean they should come to school with symptoms. When a person shows new symptoms of any kind they should stay home, regardless of whether their COVID-19 antigen test is positive or negative, simply because new symptoms are contagious. **It is necessary to stay home with any symptoms to reduce the risk of spreading any illness at school.** There are numerous illnesses circulating, not just COVID-19. Staying home prevents the spread of all diseases and helps protect those individuals in our communities who are immuno-compromised and/or suffer from chronic health conditions. Please protect our whole learning community by staying home when you have any new symptom.*

CES continues to have job openings for a variety of positions:

K-6 Instructional Assistant, Permanent Position

Find out more and apply at the link below or complete an application which is available at the end of this message.

<https://www.schoolspring.com/job.cfm?jid=3718016&print&preview>

The Abbey Group is looking to hire a part time position in the cafeteria at CES! Monday through Friday, 9:30am to 2pm, with school vacations off! Pay is based on experience. Interested in joining our fun crew? Contact Kelly Shortsleeve at Cambridge@abbeygroup.net, fill out the attached job application or call (802)521-5609

****NEW**** The Abbey Group at CES is now using only local Boyden Beef in all our meals! We love supporting our delicious local business' and foods

Sincerely,

Kelly Shortsleeve

Chef/Manager

In an effort to streamline communication with our nurse's office, our main office, and classroom teachers, we are asking families to report student absences to this [online form](#). You can always find a button to this form on our school website under the "Families Tab". Additionally, you can save this paper and use the QR code to link directly to the form. You can even "Add to Home Screen" on your smartphone to create a quick app. Thank you for your cooperation and partnership!* Open up your camera app and scan this QR code. A pop-up will appear at the top of your screen, press on it to have the CES Absentee Form appear.

Important Dates:

Early Release: Friday, April 8

No School: April 18-22

No School: Monday, May 30

Last day of school: Friday, June 10th

Upcoming Lunch Menu

Monday: Dress your own burger

Night to Support Ukraine

Sponsored by Cambridge Area Rotary

The Cambridge Area Rotary is sponsoring an opportunity to learn more about the situation in Ukraine from Elena and Kevin Spensley on Friday, April 1. They will share their personal experiences as well as the political history between Ukraine and Russia that brought us to where we are today. Please join us either by Zoom or in person on Friday, April 1 at 7:00pm at the Second Congregational Church in Jeffersonville for this special presentation. In order to ensure an on-time start, seating at the church will begin at 6:30pm. Masks will be optional.

When you register, you will have the opportunity to donate to ShelterBox USA, which, through Rotary International, provides sturdy shelters and home goods to displaced people globally. All of our proceeds will be used to help fund the Shelterbox effort for the Ukrainian refugees.

To register attend this event in person or by Zoom: <https://www.brownpapertickets.com/event/5407036>

For Up to date information regarding our event please visit our FB Event page:

TDI Summer Camp 2022!

Parents and teachers--do you have an advanced, gifted, or creative child, entering grades 4-9, who would love to have fun with intellectual peers this summer, while exploring a wide variety of topics? Consider sending them to the Talent Development Institute (TDI Summer Camp) 2022! A sample of our classes includes: Computer Game Design, Explorers of Gem Hollow, Case of the Green Ping Pong Ball, Simulating Chaos, Clowning Around, Gravity-Powered Catapults, Movie Making, TDI Puppet Show, Fake News and Propaganda, Model UN-der the Sea, Vaximake, and Discover BioPlastics, Rube Goldberg Machines, Writing and Laughing, and Improvise! This summer, TDI Summer Camp will once again (after a couple of summers of virtual programming) take place on the beautiful campus of Northern Vermont University, Johnson, Vermont. Students may come for one or two weeks, June 19-25 and/or June 26-July 2, 2022. There are overnight and commuter options, and partial scholarships are available. For more information, go to <https://tdivermont.org/> or contact info@tdivermont.org.

Cambridge Karate Classes

New Session Beginning

This Session's Focus is - Youth Safety and Self-Defense

Karate Kids (ages 5-10)

The Mount Mansfield Martial Arts Karate Kids Program is designed specifically for children ages 5 through 10. The emphasis is on gross motor skills and activities that are developmentally and age appropriate. Students engage in physical activities that work on balance, coordination, fitness, flexibility, speed, timing, and power skills, along with traditional martial arts movements. Mount Mansfield Martial Arts students understand that the goal of self-defense is to prevent harm, not hurt others. We emphasize that our program uses martial arts techniques to teach social skills such as cooperation, taking turns, sharing, listening, and teamwork. Through training, students work on goal setting and achievement by progressing through our curriculum and obtaining colored belts and stripes. We also integrate a character development program into our classes that reinforces respect, self-control, self-discipline, focus, courtesy, integrity and confidence. Through positive feedback, overcoming challenges, mastering responsibilities and achieving goals, students at Mount Mansfield Martial Arts can become the leaders of tomorrow.

Jr. / Adult Class (All Ranks – ages 10+)

This class follows the Adult Solid Belt system. The class is faster paced and more technically and physically challenging than our Karate Kids program. While the emphasis is primarily traditional martial arts students also delve into Wude (Martial Ethics), modern Self-Defense and physical conditioning. Most importantly, it is still fun.

Wednesdays - At Cambridge Community Center

Karate Kids (Stripe Belts) 3:00 - 3:45 P.M.

Jr./Adult (Solid Belts or ages 10+) 4:00 - 4:45 P.M.

Register at www.MountMansfieldMartialArts.com

or email Scott Graner at Sdgdragon@aol.com

SPRUCE PEAK ARTS Theater CAMPS this Summer! Spruce Peak Arts camps are a chance for children and youth, ages 6 to 15, to make friends and have FUN testing their skills getting the week's play onto its feet. Each session/week ends with a performance for family and friends on the last day! Spaces are filling, sign up now!

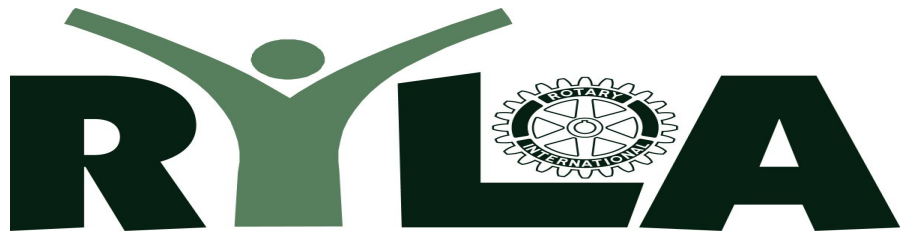

*early drop-off (8:30) and late pick-up (until 4:30) is available for an additional fee Not sure what to bring? Have questions? Unsure about cost? Find the answers to those questions by visiting the Spruce Peak Arts website: SprucePeakArts.org!

THE LIGHT PRINCESS
July 18-22, 2022 9:00am to 3:30pm* Bring The Light Princess – based on a classic fairy tale – to life! Expect a week of creative innovation as we figure out how to make a floating princess return to earth!

ALICE IN WONDERLAND
August 1-5, 2022
9:00am to 3:30pm*
Act together to share the whimsical story, Alice in Wonderland. The story of a young girl, Alice as she explores a fantastical land down the rabbit hole.

2022 Rotary Youth Leadership Academy (RYLA)

The Cambridge Area Rotary will be sponsoring two students to attend the Rotary Youth Leadership Academy. Students currently enrolled in their high school sophomore year are eligible. The RYLA is a nationally recognized honor that focuses on developing leadership skills, communication abilities and team-building tools. This unique opportunity brings young people from VT, NH, and Quebec together to share, evolve and learn to be more effective and self-confident leaders in their schools, teams, communities, and other facets of everyday life. Over these two and a half days, participants can expect to learn by experience and actions, learn about personality traits and how to bring out everyone's talents, learn about their own traits and talents, and they have FUN while doing this! The weekend will include a service project where participants will personally make a difference for someone that they do not know.

CAT FOOD DONATIONS NEEDED FOR LOCAL FAMILIES!

NCAL Meals is a free pet food assistance program operating in partnership with [Meals on Wheels of Lamoille County](#) and [Lamoille Community Food Share](#) to support local families in need. The program currently provides for over 60 community-owned cats and dogs and relies entirely on donations! NCAL is looking for individuals or businesses who can join us to ensure that a steady supply of over 1000 lbs of pet food is available each month so underserved households in Lamoille County can continue caring for their beloved pets.

Over 70% of NCAL Meals clients are cat owners. This means **we have a high need for dry cat food donations!** Interested to learn more? Email lusana@ncal.com or call 802-888-5065 ext. 117.

To donate:

- **Drop off at CES** or shelter location: 16 Mt View Meadow Rd, Morrisville, VT
- Order via [Amazon wish list](#)
- Order via [Chewy wish list](#)
- Or drop off at [Meals on Wheels of Lamoille County](#), [Tractor Supply](#) or [Menard's Family True Value](#) in Morrisville, as well as [Dogs Etc.](#), [Shaw's Supermarket](#) and [Mac's Market](#) in Stowe.

Lamoille Valley Playgroups: Grab your mask and connect with local families!

**Mondays: Open-gym "movement playgroup
9:30-11, River Arts, Morrisville**

**Tuesdays: Outdoor playgroup
9:30-11, Old Mill Park, Johnson**

**Thursdays: Traditional playgroup
9:30-11, United Church of Johnson**

For more info: Lamoille Family Center 888-5229

Coming later in the fall: Swim groups at NVU pool
