What a crazy end to the week! Despite all of the changes, our students are still managing to enjoy the season and having fun with all of the preparations. Next Wednesday, we will be having a school-wide holiday cookie decorating party! It was such a hit last year that I decided to make it a tradition!

I was able to volunteer at NCAL this week with three hardworking sixth graders: Lucas Marcelino, Lily Wells, and Addie Gillen. They completed several chores for the shelter then and had the pleasure of visiting with a brand new cat who had just arrived at NCAL as a rescued stray from Florida! Nice work everyone!

Have a wonderful weekend. Time to get the shovels out again!

Did you know that CES is one of the 11 finalists in the Frigo CheeseHead's Build a Bright Future contest for schools? Please vote for us EVERYDAY! Our 6th Grade Tech Ambassadors and our PTA created this video in support of new playground equipment. VOTE HERE:

Cambridge Elementary Early Childhood Program Preschool Developmental Screening

Will your child be turning 3 or 4 by September 1, 2022? Cambridge Elementary Early Childhood Program invites families with eligible preschool students to call 802-521-5613, to make an appointment for a developmental screening.

Who: Community of Cambridge/Jeffersonville children (age 3 and 4 by September 1, 2022)

What: Preschool screening

Where: Cambridge Elementary School/ Preschool

When: Monday, January 10, 2022, 8:00 - 9:00 or 9:30 - 10:30

How: Contact Liz (802-521-5613), no later than 1/7, to reserve a time for your child.

Screenings will take approximately 60 minutes. During this time parents will fill out a brief developmental questionnaire about their child while educators interact with the children to gain information about each child's development in the areas of speech and language, social/emotional, motor and cognitive. This is also a time for parents to ask questions about their child's skills and about our preschool program.

In an effort to streamline communication with our nurse's office, our main office, and classroom teachers, we are asking families to report student absences to this [online form](#). You can always find a button to this form on our school website under the "Families Tab". Additionally, you can save this paper and use the QR code to link directly to the form. You can even "Add to Home Screen" on your smartphone to create a quick app. Thank you for your cooperation and partnership!* Open up your camera app and scan this QR code. A pop-up will appear at the top of your screen, press on it to have the CES Absentee Form appear.

Greetings CES Community,

Just a quick reminder that the Backcountry Base Camp is on for Saturday 12/18. Backcountry will be set up at Smuggs in Lot 1. They have a big raffle they will be conducting at 5 pm at the Brewster.

This is a great opportunity for the Parents/Students to raise funds for Winter Wellness.

Backcountry will need assistance selling raffle tickets.

57 were sold at the Ski/Ride Sale - so we are off to a good start!

If Parent/Student teams would like to assist - simply go up to Lot 1, and you will see the Backcountry Base Camp set up.

They will start selling tickets at 9a.

Being a current skier - rider is not a requirement:~)!

Greetings Wrestling Parents,

We are happy to announce that we will be starting the 2021-2022 Youth Wrestling Season. Our first practice will be on Tuesday December 28th and run every Tuesday and Thursday from 5:30 - 6:30. Tournaments will start in January and run until the first week of April. We ask that parents and participants to wear a mask while walking through the school. Athletes and coaches will not be required to wear a mask while in the wrestling room but are able to do so if they choose. We hope to have a great season and to continue to grow the sport of wrestling in the Mount Mansfield area community! If you have any questions or concerns, feel free to contact me via email coachjonnyb@gmail.com or my sister-in-law Sara at insert email.

For those who are new to the program, the wrestling room is located through the MMU gymnasium (up the stairway in the gym). Let us know if you need additional information on this!

Thanks,

Coach Jonny Brown
